OTHER PLANNING MATTERS AND CONSULTATIONS-

Cllr Armstrong reported that there appears to be an installation of an aerial mast in Skinner Hill area of parish which has now been camouflage painted. No applications received by Parish Council.

Re: 1 School Hill :-

Enforcement has looked into issues at Lynburn which may have affected a proposal to retain the height of the fence at 1 School Hill Lindale.

They have concluded investigations and consider there are no factors which affect the application being submitted and therefore asked Mr Mailer to make a formal application for the removal or variation of condition 4 attached to planning permission 7/2011/5402 which restricts the height of the fence to 1 metre.

Currently awaiting the application**Update as at 21/3/12**

2 members of the public reported their concerns regarding the breaches of planning conditions in respect of 1 School Hill and reported the hazard presented by the replacement of the railings at the junction of Mill Pond and School Hill and reported that there had been a near-miss which has been reported to the police by Cllr Armstrong.

Action:

It was resolved that the clerk would again contact the LDNPA enforcement officer regarding the specific points raised and Highways about the safety issues at the junction as a result of the development, also to query with CCC if they can confirm if the grass verge/rockery outside the boundary belongs to 1 School Hill or comprises part of the verge/CCC footpath and highway.

Response from Bill Murray enforcement officer 5/4/12 _ He has written to householder to request site meeting on 18/4/12 at 12.30 pm.

Update Site visit 9/5/12:- Application regarding fences to be withdrawn and new application for or all the changes that have been made. This will involve fencing and changes to the approved external materials used on the extension.

TOILETS IN RECREATION GROUND- UPDATE ON VANDALISMDJC
RA/NM

1738

Toilets were locked on 31st May due to vandalism in gents, basin needs to be re-fixed and paper towels thrown all over. Emergency repairs authorised by clerk of approximately £70 to ensure toilets can be reopened for holiday weekend. Agreed to be charged to repairs budget. Cllr Armstrong as also reported to PCSO Firth who will make some calls on his rounds, he will attend a future meeting.

Please ensure members check when doing weekly inspections.

Also clerk reported that she had received a telephone call from United Utilities regarding an unusually high meter reading for Waste Water use on 24/5/12 – Estimated bill £401. This is due to flooding shortly after toilets were opening in April caused by broken flush.

Action:- Meter to be read to establish if there is a leak. Bill to be split between toilet budget and contingency budget. Clerk to speak to united Utilities again to see if they will negotiate to reduce bill. It was also suggested to consider installation of Subsidiary Meter, Cllr Armstrong to get quote off Ron Waering.

FINANCE REPORT:-

a) Review of Effectiveness of Internal/financial controls in accordance with Financial Regulation requirements.

Members reviewed and considered the internal/financial controls currently in place, it was agreed they are robust and ensure good governance and present accurate financial records, budget monitoring and year end financial accounts.

The Clerk read out the comment from Internal Auditor regarding recommended action to ensure that an effective review system is set up to review the effectiveness of internal controls and record that review has taken place.

Clerk to investigate and report at next meeting if any additional action is required.

Cllr Bond asked it to be noted that Parish Council are happy with standard of controls and management of finances carried out by the Clerk/RFO.
